

PARTNER PROGRAM

WIRECARD PARTNER PROGRAM

- ▶ Modular solutions: Flexible combination of solutions, from single-service to single-source solutions
- ▶ Commission: Attractive remuneration schemes, including transparent and automated settlement of commission
- ▶ Marketing support: From the communication tools (logos, text, and links for websites) to newsletters, landing pages, and activities such as advertorials and trade shows
- ▶ Customer protection: Customer protection for referred merchants in the global Wirecard CRM tool
- ▶ Partner support: Individual support by dedicated Partner Managers completed by 24/7 availability of the partner portal. Meaning: Multilingual support, extensive reporting, and global availability

The Wirecard Partner Program provides real added value and extensive expertise in customer solutions. Our offer is characterised by efficient procedures for merchant account setup as well as for contract management.

We offer competitive pricing for your customers and attractive commission models for you as a partner. Dedicated account management, (technical) sales consulting, partnership setup and reviews, as well as joint business planning and market strategy complete the portfolio of the Wirecard Partner Program.

Our partners can expect tailor-made cooperation models that support their business model – focusing on the provision of benefits for different merchants and diverse industries. Moreover, Wirecard's global presence stands for local customer support in multiple languages – worldwide.
