Wirecard and Ingenico collaborate to propose comprehensive payment solutions in Indonesia

- **Value-added payment solution and services from Wirecard on Ingenico terminals**
- **End-to-end payment portfolio**

Aschheim (Munich). Ingenico and Wirecard have finalized a partnership in Indonesia through their respective subsidiaries, PT Ingenico International Indonesia and PT Prima Vista Solusi. The collaboration enables Wirecard to provide its payment solutions and services through Ingenico point-of-sales terminals in Indonesia. Clients such as financial institutions and retailers benefit from a comprehensive value-added payment services such as multi schemes payment acceptance that encompasses EMV, NFC and bill payments, as well as platform for merchant management, transaction processing, and risk management that enables them to grow their business rapidly and securely.

Andree Santoso, Managing Director of PT Ingenico International Indonesia, commented “The cooperation with Wirecard brings strategic advantages for both sides. We are pleased with the expansion of business in Indonesia.”

“As multi-channel payment solution provider, the integration of Ingenico into Wirecard point-of-sales product and service offering emphasize our commitment to bring a comprehensive portfolio of payment solutions to our clients in various markets and verticals” added Mr. Rudy Khowara, Managing Director Global Point-Of-Sales at Wirecard.
